To Private-Expenses International Students:

Call for application: Rotary Yoneyama Memorial Scholarship

We would like to inform you that we have received scholarship application information from the Rotary Yoneyama Foundation. Please read through the details below.

Please also refer to the attached documents “About Rotary Yoneyama Scholarship” and “Obligations for Scholars (sample in Japanese)” and understand this scholarship. If you would like to apply, please come to the International Center to inform your intention, and also consult your supervisor.

If we have more than three candidates, internal selection process will be conducted.

Details

1. Eligibility Criteria

- ① Those who are going to be 2nd and 3rd year of Cooperative Major in Medical Photonics or 3rd or 4th year of Graduate School of Medicine (Doctoral Program) in April 2026, and have a "Student" residence status.
- ② Those born on and after April 2, 1981 (under 45 years old as of April 1, 2026).
- ③ Those who do not plan to receive scholarships or grants from other institutions after April 2026.
 - ※ Even if you are receiving other scholarships at the time of application, you can still apply for this scholarship.
 - ※ HUSM International Exchange Scholarship can be received concurrently. If awarded, HUSM International Exchange Scholarship will be reduced to 10,000 yen.
- ④ Those who have not previously received this scholarship.
- ⑤ Those who can fulfill the obligations of a Rotary Yoneyama Memorial Foundation Scholar if awarded (see attached document).

2. Scholarship amount and period

Graduate Student (Master/Doctor) 140,000yen/month

3. Application procedure (International students/ Supervisor)

Please submit the following documents to the international Center.

【Supervisor】

Recommendation letter from the supervisor (Attached form 1)

- Please use the attached form 1, and within 1 page.
- Economic hardship will not be considered in the selection process. Please include content other than economic aspects in the recommendation.
- The recommendation letter must have the handwritten signature (autograph) of the supervisor.
- If submitting a written recommendation letter thru the candidate, please seal it securely. If sending the recommendation letter data via email, please password-protect it and send it directly to the International Center without going through the candidate.

【Applicant(International Student)】

- ① Yoneyama Scholar Application Form (Attached form 2)
 - ② Personal history (Attached form 3)
 - ③ Research Plan (Attached form 4)
 - ④ Essay (Attached form 5)
 - ⑤ Academic Transcript for FY2024, or one latest available
 - ⑥ A copy of residence card
- Documents ① to ④ must be filled in Japanese by applicant himself/herself in his/her handwriting.
 - The research plan and the essay should be written without using specialized terminology that anyone can understand. **The use of generative AI is prohibited.**

4. Submission deadline

September 5, 2025 (Friday)

5. Number to be recommended from the university

Three

※ Internal selection will be conducted if more than three application is received.

6. Selection process by the foundation

If you are nominated from the university, an interview (in Japanese) will be conducted.

Target: All applicants who have been recommended and meet the application qualifications

Date: December 14, 2025 (Sunday)

Venue: Hamamatsu Grand Hotel (tentative)

*A paper examination may also be conducted.

7. Selection result

Selection result will be informed to the international center between the end of December 2025 and the beginning of February 2026.
